

EXCELLENCE

in **Rheumatology**

Cutting edge findings into clinical practice

25-28

JANUARY 2012

MADRID, SPAIN

# Announcing Excellence in Rheumatology Schools

Madrid, Spain - 25 January 2012

## Who should attend

Rheumatologist professionals completing their last two years of training in their specialty, having already acquired their MD (or equivalent) or PhD; qualified rheumatologists, internists or scientists with particular interest in the clinical aspects of systemic autoimmune diseases or arthritis and their effects on patient care.

## Schools subjects

- ◆ Systemic Autoimmunity
- ◆ Arthritis

## Key learnings for attendees

1. To receive expertise and training on **clinical practice** related to systemic autoimmunity and arthritis
2. Networking opportunities with fellow colleagues and Faculty members
3. Unbiased advice on their future academic career steps and valuable first contacts with their mentoring Faculty members, **for on-going support after the School has ended**

Apply for a bursary now! Applications deadline:

**12 October 2011**
